Promoting good practice

The SLD Experience

2011 prices held

Are you:

- Responsible for working with children and young people with severe learning difficulties in a mainstream class, unit or special school?
- Seeking new ideas, drawn from the latest research and best practice in schools, to implement in your classroom or school?
- Keen to know how government policies will affect you and your pupils now, and in the future?

If so, The SLD Experience is for you.

Recent topics include:

- Measuring progress in children with profound and multiple learning difficulties
- Perceptions of difference in the inclusive classroom
- Developing a curriculum for pupils with PMLD
- An approach to counting

Each edition highlights recent research and what's new

FREE sample copies available

The SLD Experience is aimed at parents and practitioners working with and caring for children and young people with severe learning difficulties in mainstream and special schools.

The SLD Experience is the only UK journal dedicated solely to promoting good practice with school pupils with severe learning difficulties.
