- Education setting

Additional notes to the above:

If the organisation is able to demonstrate that they can add a tick in all three questions above, then they are initially screened as appropriate to attend a scheme induction workshop at the BILD offices. Induction workshops are planned on a four monthly basis and so allocation can be for the next available or the subsequent one. The fee is set out to the individual over the phone, or through email correspondence and state that is for one place on the workshop, each additional place (max 2 additional per org) required can be additionally purchased at a (slightly) reduced rate.

Organisation is assigned to an accreditation scheme workshop
