Physical Interventions Accreditation Scheme – Induction Workshops

These events are suitable for all organisations who train in the use of physical intervention, who are considering whether they wish to apply for accreditation under the BILD Physical interventions Accreditation Scheme.

The BILD Physical Interventions Accreditation Scheme has at its heart the BILD Code of Practice in Physical Interventions and the joint DoH/DfES document ‘Guidance for restrictive physical interventions’ which recommends that training should normally be provided by trainers who are accredited under the BILD Code of Practice and express a formal interest in progressing to accreditation.

For further information please contact: Liz Howells on 01562 723010.
