‘Closer to Home’ Partnership

- Partnership made up of 3 South Wales based Local Authorities, the local Health Board & 5 “not for profit” Support Providers
- Started in 2011
- Focus on reducing out of county & out of country placements
- Focus on non-institutionalised accommodation
- Onus on Positive Behavioral Support
- Currently working with a further two Welsh Health Boards
- Looking to replicate further throughout Wales
- Currently accessing ICF Funding (Welsh Government – Integrated Care funding)
